## PRESS RELEASE

### **Arcadia Communities Certified as a Great Place to Work®**

-Arcadia Communities certified by Activated Insights as a Great Place to Work

*[Louisville, KY., August 27, 2021]* – Great Place to Work Institute and its senior care partner Activated Insights have honored Arcadia Communities with certification as a Great Place to Work. The certification process involved surveying 100% of employees from across 6 locations and evaluating more than 60 elements of team members' experience on the job. Of the 90% of employees who responded 87% say Arcadia is a great place to work. These included employee pride in the organization's community impact, belief that their work makes a difference, and feeling their work has special meaning. Rankings are based on employees' experiences, no matter who they are or what they do.

"Arcadia has worked hard to create a unique culture, and we're very proud to be recognized as a great place to work. Our rich history of caring for those we serve, operating with honesty, integrity and compassion and a focus on quality and economic vitality helps make us who we are," said Brian Durbin, President of Arcadia Communities.

"I am particularly proud of the dedication and commitment of our team from leadership to all of our wonderful staff during an extremely challenging 18 months. It is an honor and privilege to serve beside and lead these great ladies and gentlemen," said Durbin.

"We applaud Arcadia Communities for seeking certification and publicly sharing its employees' feedback," said Dr. Jacquelyn Kung, of Great Place to Work's senior care partner Activated Insights. "These ratings measure its capacity to earn its own employees' trust and create a great workplace for high performance."
