## **Executive Director**

hope you had a beautiful fall and enjoyed all natures colors. October was sure a great month full of nice weather and fun activities here at The Bluffs. There were many afternoons that the front patio was filled with company enjoying the afternoon

Halloween at The Bluffs was a hoot as always! I love seeing the creative costumes that everyone comes up with, the day is filled with laughter and surprises. We had a great group of Trick or Treaters come through on Halloween as well, everyone sure enjoyed seeing all of the costumes on the kiddos!

As we go into November, we have a great month of activities planned but also be sure to take some time to reflect on what you are thankful for. Maybe you're thankful for your health, maybe the friends and your family, perhaps the roof over your head or the fact you no longer have to shovel snow. Be sure to show your appreciation, give your friends and family members a hug, tell

Thanksgiving is a wonderful time to reflect on the good in your life, express gratitude for what you have. We are grateful to serve

#### **Activity Highlights**

Welcome to November! Exciting events and activities to anticipate in November. At the start of the month, we will engage in a Thanksgiving craft activity, inviting family and friends to participate. On November 11th, we will pay tribute to our Veterans with a lunch provided by Applebee's, followed by a brief presentation to acknowledge their service. We will organize lunch excursions to several of our favorite local locations. Additionally, there will be shopping trips on Thursdays throughout the month. Activities will include baking, crafts, games, and flower arrangements. Concluding the month with a Turkey Trot and Turkey Shooting event. Wishing you a joyful Thanksgiving surrounded by family and friends. Have a fantastic month, and I look forward to seeing you at the various activities.

See you soon, Kalyssa
